

LESLEY GORE INTERNATIONAL FAN CLUB

141 Vernon Avenue

Paterson, N.J. 07503

June, 1973

Hello! I know that we are kind of late with this newsletter, but there are several reasons for the delay. First of all, we have been looking for news of Lesley. Secondly, we were waiting for the enclosed gifts for you to arrive.

The balloon enclosed is for you to fly proudly. Hope you like the caption we selected for them! Let us know. Our next project may be bumper stickers. What do you think?

Well, there seems to be no news at present except that we can look forward to another album soon. I promise you that as soon as I get some interesting news, I will rush it out to you via postcards rather than wait for the next newsletter. OK?

We have two new record shops which you might like to try.

THE DEDICATED FOOL, P.O. Box 4229, Berkeley, Calif. 94704 has the Golden Hits LP and SOMEPLACE ELSE NOW (\$3.59 plus 75% postage).

Another record shop is: ROSE DISCOUNT RECORD STORE, 214 South Wabash Avenue, Chicago, Ill. 60604. Write for details.

A record plan which charges \$1.00 membership and sell singles for 74¢ is NATIONAL RECORD PLAN, P.O. Box 568, New York 10008.

The TAKE Show, Lesley's first movie in 1965, is being shown in a number of area theatres. Watch for it in your area.

CLASSIFIED ADS: Starting with the next newsletter, we will run classified ads for those fans who would like to trade, buy, sell, or give away pictures or records, etc.. If you'd like to place an ad, please send the exact wording to CLASSIFIED ADS c/o the INTERNATIONAL FAN CLUB OFFICES. We'll run as many as possible.

A number of fans would like to see Lesley appear on the Sonny and Cher Show (Who wouldn't???) If everyone in the club wrote a number of letters to Sonny and Cher and everyone got their friends to do the same, I am sure that it would influence them. So: Until the next newsletter, EVERYONE try to write at least 10 letters to Sonny and Cher begging them to ask Lesley on the show. Get your friends to do the same. I am sure it would help. The address:
SONNY AND CHER, c/o The Sonny and Cher Comedy Hour, c/o CBS, Television City, Hollywood, California.

If you've never heard the group, TEN WHEEL DRIVE, you MUST get a copy of their new LP, TEN WHEEL DRIVE, on Capitol. It's sensational!

OH! I don't remember if I gave you the address of this record store or not, but here is another one: GOLDIE's OLDIES, P.O. Box 15040, Philadelphia, Pennsylvania 19130.

IF we really united and wrote letters to magazines, I am sure that they would print something on Lesley. Every magazine has a LETTERS TO THE EDITOR page. I hope to see letters on these pages requesting stories on Lesley. Even if you wrote 1 letter, it would help.

CONTEST: Win 25 pictures of Lesley!!! The first two members who get their letters to the editors of a magazine published will win 25 pictures (all different) of Lesley. In order to qualify, you must write a convincing letter to an editor of any approved fan magazine. When it is published, you must inform us of the issue and name of the magazine (enclose a copy of the letter if possible). We will print your letter in full in the next newsletters. Two people will win 25 pictures each. **HURRY!**

Thanks for your patience. Remember to enclose a self-addressed stamped envelope when writing. We'll rush you a postcard when we get some good news.

Jack
