LESLEY GORE NEWS, 141 Vernon Avenue, Paterson, New Jersey 07503

HELLO,

Sorry that this newsletter is late, but we ran into several problems. We have been having trouble with the company making up calendars for 1976 and we weren't sure if we would be able to get them at all.

Enclosed: A note from Lesley and two photographs. The pictures were taken in the studios where Lesley is recording. Of course, the man in the one picture is Quincy Jones. Both pictures were issued by A&M Records.

New biography: A&M has written a new biography on Lesley. We will have it reprinted after the holidays. Things are just too hectic to have it done at this moment. If you wish a copy, please send a self-addressed stamped envelope and mark it BIOGRAPHY. Don't forget to put 13¢ postage on the envelope.

1976 Calendars: They will be available again this year for free to fan club members in good standing. You may have a 1976 calendar with Lesley's compliments simply by sending 3 - 13¢ stamps for postage, or a total of 39¢ postage. We know you will love them. Mark your envelope: CALENDAR POSTAGE.

The tentative release date for the new album to be released by A & M is February 15th. We will give you more information on this in the next newsletter. (Hopefully, someone will supply further information by then.)

The Reno Sweeney, New York appearance has been postponed until after the release of the LP. More on this in the next newsletter.

Hope you caught Lesley on American Bandstand which we told you about in the last newsletter. She was simply fantastic!! We received very nice letters about it. How about writing a Thank YOU note to Dick Clark for having Lesley on his show and asking to see her again? It would help greatly!! Dick Clark, American Bandstand, c/o ABC-TV, 4151 Prospect Avenue, Hollywood, California 90028.

New pet: Lesley has a new pet dog. He is a very large black french poodle and his name is Oliver T. (Maybe we can get a picture of him for our next newsletter???)

Bumper stickers: They say: "IMMORTALITY, A new record by LESLEY GORE." For information, write: Sharon Fortune, P.O. Box 26, Niantic, Conn. 06357.

Lesley is featured in the January issue of Creem Magazine in an article by Linda Ronstadt.

Please don't forget postage rates go up Dec. 28th to 13¢. Please put the new postage fees on your letters and envelopes.

Another newsletter in January, I promise. Until then, have a nice holiday and thanks for your support in 1975.

Jack
