

# WHICH LESLEY DO

# YOU LIKE BETTER?

# GO GIRLS

This is the "new" Lesley—who wonders whether she's done the right thing!

Like all girls, Lesley Gore decided to cut and re-shape her hair only after lots and lots of worrying and wondering.

Now that she's gone and done it—for better or worse—she's wondering which Lesley you like better. The "Old" Lesley—who wore a medium-length "flip" or "Dutch Boy"—or the "new" Lesley who is wearing fluffy bangs with an artichoke top flanked with back-swept wings?

If you've got a definite opinion, Lesley would like to hear from you. "Write to me in care of FLIP, Box 425, New York 21, New York," Lesley asks, "and I'll take all the letters up to school with me and read them as quickly as possible."

This is the "old" Lesley—the girl we knew since she was 16!
